1 Introduction

- 1.1 Sport Canada's "Athlete Assistance Program (AAP)" is a federal government grant program that provides direct financial assistance to Canadian high-performance athletes.
- 1.2 Taekwondo Canada develops its sport-specific AAP criteria, which are aligned with Sport Canada's AAP policies and procedures. The criteria are submitted to Sport Canada for their review prior to being published and circulated.
- 1.3 Carded athlete status is a privilege designated for athletes who have demonstrated, and continue to demonstrate, outstanding abilities and commitment to regimented training and performance in the sport of taekwondo.
- 1.4 The purpose of the program is to identify and provide funding to the athletes who have met the Sport Canada Senior International Carding Criteria or demonstrate the potential to achieve the Senior international Carding criteria.
- 1.5 Taekwondo Canada High Performance Director is responsible for the nomination of the eligible athletes for the AAP. Sport Canada approves the nominations in accordance to the AAP policies and the published NSO approved AAP compliant carding criteria.

2 The Sport Canada Athlete Assistance Program (AAP)

- 2.1 The Taekwondo Canada AAP is funded by Sport Canada through its Athlete Assistance Program. The maximum number of Cards for each cycle is determined by Sport Canada.
- 2.2 The Carding cycle for 2021 shall be January 1st, 2021 to December 31st, 2021.
- 2.3 In January, 2020, Sport Canada has allocated Taekwondo a max quota of five (5) Senior cards, equivalent to \$105,900.
- 2.4 Due to the limited amount of card available, meeting carding criteria does not automatically qualify an athlete for a card.
- 2.5 A maximum of two (2) athletes from the same WT Olympic weight division may be nominated for a Senior or Development Card.
- 2.6 Sport Canada reviews carding allocations (to NGB's) on a regular basis and therefore the total available to Taekwondo Canada is subject to change. Any change to this number will be communicated once determined by Sport Canada.
