## **COVID-19 Quarantine Exemption Application**

- ▶ Currently, there is a mandatory 7-day quarantine period for individuals entering Korea.
- ▶ If approved, the Quarantine Waiver Application is good for 7 days and can be extended to a maximum of 14 days. An extension will require an additional PCR test at a Government recognized testing site.
- ▶ Information from the embassy in Canada indicates that Quarantine Exemption Certificates are used 1-week prior to the anticipated travel date.

## **COVID-19 Testing Requirements for Travel**

- ▶ **Regardless of vaccination status, all participants entering Korea must show proof of a negative PCR test issued within 48 hours of their departure flight.**
  - ▶ Test method must be PCR based on DNA amplification (RT-PCR, LAMP, TMA, SDA, NEAR, etc.).
  - ▶ Antigen, antibody, and all forms of self-administered tests are not valid.
- ▶ **The test report must contain the following information:**
  - ▶ Name (needs to match the name on the passport); Date of Birth; Test Method; Test Date; Test Result; Date of Issuance; Name of Testing Centre
- ▶ **The test result must be NEGATIVE**

## **COVID-19 Testing Requirements for Travel**

- ▶ **INDETERMINATE or UNCLEAR are both invalid.**
- ▶ **The test report must be written in Korean or English.**
- ▶ **As per the latest guidelines, PCR test results issued by any testing centre in Canada is valid (subject to change).**
- ▶ **Visit the Korean Embassy to Canada website for more information:**

- ▶ **COVID-19 testing requirements for the return to Canada will be based on Health Canada guidelines at the time of return.**

## COVID-19 Event Protocols

- ▶ Upon arrival, a COVID-19 PCR test will be performed on each participant. This test will occur at a temporary residential facility and all participants must wait at the facility until a negative result is returned. Participants may be required to wait at the facility from anywhere between a few hours to a full day.
- ▶ If a negative test is returned and the participants have a Quarantine Exemption Certificate, they will be required to download and install the self-diagnosis app and will be permitted to leave the facility for the host hotel.
  - ▶ All participants will have a daily rapid antigen detection test during the competition.

- ▶ Additional PCR testing is required if the participant is in Korea for more than 7 days under a Quarantine Exemption.
- ▶ All participants must wear a mask in public places, and will have their body temperature checked when entering or exiting the hotel or competition venue.
- ▶ Participants are not allowed to exit or leave the event premises (hotel or competition venue) until they complete their competition and they depart Korea. There are no exceptions.
- ▶ In the event of a medical emergency, the COVID-19 coordinator and physician in charge at the event will permit and/or escort the athlete or coach/staff member to an exit for transportation to a medical facility.

## **Outfitting and Team Support**

- ▶ **Official team kit and uniforms will be provided based on information submitted through the Participant Information form.**
  - ▶ All items will be shipped to the home address provided on the Participant Information form.
- ▶ **Team Manager – Lisa-Mae Petropoulos**
- ▶ **Team Medical – Elwin Lau**
  - ▶ Medical support for acute issues and on-site injury management.
- ▶ **Head Coach – May be appointed.**

## Important Considerations

- ▶ **Potential COVID-19 Specific Complications**
  - ▶ Participants that are minors must travel with a Responsible Adult. You will need to have a quarantine plan in the event there is a positive COVID-19 test.
    - ▶ Unsure what process will be for non-National Team members.
  - ▶ Hotel costs during quarantine in addition to quarantine facility costs.
  - ▶ In order to meet the WT timelines, flights need to be booked before it will be known if the event receives a Quarantine Waiver.
    - ▶ What is your plan if you do not receive a Quarantine Exemption Certification?
    - ▶ What if only a part of your group does not receive an exemption?
