Code of Conduct and Ethics (the “Code”)

Taekwondo Canada has adopted the Universal Code of Conduct to Prevent and Address Maltreatment in Sport (“UCCMS”), as amended from time to time, which shall be incorporated into this Code by reference as if set out in full herein. Any modifications or amendments made to the UCCMS by the relevant functions of Abuse-Free Sport shall come into effect immediately upon their adoption by the relevant functions of Abuse-Free Sport and automatically without the need for any further action by Taekwondo Canada.

As a Signatory of Abuse-Free Sport, Taekwondo Canada has designated certain Participants as Abuse-Free Sport Participants. A full list of designated individuals is available in [Taekwondo Canada’s Definitions document](#).

*It is important to note that the Code applies to all Participants, **but not all Participants are Abuse-Free Sport Participants** and subject to the Office of the Sport Integrity Commissioner (“OSIC”) Process under Abuse-Free Sport.*

Members of Taekwondo Canada may have their own codes of conduct applicable to registrants participating in the Member’s business, activities, and events. A Member’s registrants may also be subject to this Code if they are involved in Taekwondo Canada business, activities, and Events, including being designated an Abuse-Free Sport Participant.

1. PURPOSE

- 1.1 The purpose of this Code is to ensure a safe and positive environment within the programs, activities, and Events of Taekwondo Canada and its Members by making all Participants aware that there is an expectation, at all times, of appropriate behaviour consistent with Taekwondo Canada’s core values, mission, and policies.
- 1.2 Taekwondo Canada and its Members and Participants support equal opportunity, prohibit discriminatory practices, and are committed to providing an environment in which all individuals can safely participate in sport and are treated with respect and fairness.

- 2.2 This Code also applies to the conduct of Participants outside of the business, activities, and Events of Taekwondo Canada and its Members when such conduct adversely affects Taekwondo Canada’s relationships (and the work and sport environment) or is detrimental to the image and reputation of Taekwondo Canada or a Member. Such applicability will be determined by Taekwondo Canada’s Independent Third Party.
- 2.3 In addition, this Policy will apply to breaches of the Code that occurred when Participants involved interacted due to their mutual involvement in the sport or, if the breach occurred outside of the sport environment, if the breach has a serious and detrimental impact on the Participant(s).
